A brief summary of the event (up to one page) supplemented with pictures is due by the end of the fiscal year during which the grant is awarded. Submission will be considered for a chance to be featured in LSYCC spotlight.

Proposals need to be submitted to info@ycc-acs.org by March 1st or August 1st. Proposals will be reviewed the weekend before the national ACS meetings and applicants will be notified within a week of the national meeting's completion.
